"Cross" shape

You make magic ring with plush yarn otherwise because the yarn is bulky. You can do: 2 ch, in the second stitch make 6 sc, join sl st with in the first stitch, and the magic ring is ready.

I make it in this **"Cross" shape**, because that way the plush yarn looks prettier.

Plush yarn: Plush yarn is very soft and smooth the crochet hook glides on and the crochet process is a pleasure. The yarn is quite bulky, so toys are made quickly. But there are some nuances! When you cut the yarn, leave a longer end.

FACE DECORATION - SHAPING THE FACE:

Set the pins in places where there are eyes and nose. Place the pin between rounds 16 and 17 for the nose, then take 2 more pins and skip 5 stitches to the sides and set with pins one line up (it's for the eyes).

Insert one more pin (see photo, the pin is white).

Put the needle in this place, move it to the left,

where there is the pin for the eye,

pull the needle, miss a stitch to the left

and pull the needle to the white pin, fasten off.

If you want, you can repeat and shape.

We do the same with the other side (forming the second eye).

Then put the needle in the place where there is a nosepin,

pull the thread over the head then hold it close to the white pin,

finish off, so we made the rabbit cheeks, we tie the threads.

Sew the nose over the cheeks.

Sew the eyes above the cheeks, there are 3-4 points distance between the eyes.

OUR RABBIT IS ALMOST READY

Sew the ears (I sew on the 8th round, I jump sideways 6 sc from marker).

Sew the tail between the legs. Enjoy the result!

FINAL RESULT
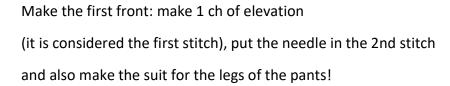

THE CLOTHES FOR THE RABBIT - THE VELVET SUIT:

Start making yoke, make 30ch + 4ch of

edge + 1 lifting chain.

TOTAL WE WILL MAKE 35 ch

2) From the 2nd ch do; 5 sc then do

edge stitch =(3 sc in 1 stitch) then

5 sc, edge stitch =(3 sc in 1 stitch), 10 sc,

edge stitch =(3 sc in 1 stitch), 5 sc, stitch

edge= (3 sc in 1 stitch), 5 sc (total 42 sc)

Then we divide our yoke into fronts, sleeves and back,

 for the fronts we have 7 sc, for the sleeves - 7 sc, for the back - 14 sc:

Make the first front: make 1 ch of elevation

(it is considered the first stitch), put the needle in the 2nd stitch

and also make the suit for the legs of the pants!

Make 7 sc, to the middle of the edge stitch (consists of 3 stitches),

 then make 1 ch turn (it is considered as the first stitch),

then make 9 rounds, total we have forward 10 rounds in a row,

 skip from front 7 sc (sleeve of suit), crochet the back, from the

middle of the edge stitch- to the middle stitch of the next

edge, it should be 14 sc Skip 7 sc (the second sleeve), it should be

7 sc from the middle of the edge stitch and towarows the end of

 the round, it's our second front

(see the photo)

We have:

2- 11) 42 sc

We will do the 12th round by putting all the pieces together,

so we will make 7 sc along the front, in

then make 7 ch, join with the back,

make 14 sc, 7 ch, join with the last front and

make 7 sc, total we have 42 sc

Then crochet around

13) 42 sc

14) 3 sc, inc, (6 sc, inc)*5, 3 sc (48)

15) 4 sc, inc, (7 sc, inc)*5, 3 sc (54)

16) 4 sc, inc, (8 sc, inc)*5, 4 sc (60)

17)-19) 60 sc (3 rows)

Then make the hole for the tail.

Do 24 sc, turn and do 2 rounds of 24 sc

Then skip 12 stitches and do 3 rounds

of 24 sc on the second side total we have (24)

20) - 22) of 24 sc for the fronts, and 12 sc

between them for the tail.

23) now we get together, we will do on one side 24 sc,

ch 12, join with second side 24 sc (total 60 sc)

24) 5 sc, inc, (9 sc, inc)*5, 4 sc (66)

25) 5 sc, inc, (10 sc, inc)*5.5 sc (72)

26) — 28) 72 sc (3 rows)

So we come together in a circle

Make 3 ch, join with the second side, total 72+ 3 =75 sc

Now crochet around (no lifting ch), make 6 rows, Total we have (75)

29)- 34) 75 sc, make the suit, our walls of the suit must join between the legs.

If they don't join, you must crochet more rounds.

We need to turn the suit inside out

and sew it to both walls, 2 sc, so

divide it into 2 pant legs remove the suit, make

the pant leg, make a little chain turn and

crochet around the first leg of the

pants, I had 37 sc, unite with sl st, and then we start every round with 1 ch of elevation.

To sew straight, we will do it like this:

Make a ch, then make 1 sc at the same point, and do it to the end of the row, joining with 1 sl st - make the 1st sc in the initial chain and, in

then we do 4 rounds (total 5 rounds for each pant leg) Then we change to the additional color and we will make the rib we will make the first row in dc, the second row – Front Post Double Crochet (FPdc.) and Back Post Double Crochet (BPdc.)

(see photo)
In the same way we do the second pant leg

2

1

THEN MAKE SLEEVES

Join the yarn in the middle of the sleeve at the bottom, make 1 ch

(crochet, as in the pant legs), around, I

was 38 sc. Make sleeves 17 rounds and switch to

additional color. Make the rib as you did the legs of the

pants the first row - dc, and the second row –

Front Post Double Crochet (FPdc.) and Back Post Double Crochet (BPdc.)

THEN MAKE THE CAVA AND CAPE:

Join the yarn in the front right corner above, crochet along the armhole for the second front, then make 1 chain, turn and continue crocheting towarows the bottom (6 stitches together), continue to crochet on the right front corner, make 3 sc, then turn on the cover.

Start crocheting the cover:

Make the 1st row 3 sc, inc, 3 sc, inc..... and so on.

crochet with a ch from elevation to cover,

we will doin rounds 4 and 7, 1 inc after each

5 stitches, on the 8th row we will do

until the walls of the cape join above the

rabbit head, I had 34 rounds.

Sew the cover to your sc edges.

Now let's crochet around the cape.

Gather the yarn where it started at the front

On the left, crochet along the cover and

cava, then we will make 3 sc together and

crochet to the end of the row.

The second line we will do in the same way,

but we must make holes for the buttons

on one side of the pit, we will make 3 holes

for the buttons. I did like this:

from the bottom of the armhole 3 sc, then

5 ch, skip 2 stitches, put the needle in the

3rd stitch, make 8 sc, 5 ch, skip 2 stitches,

Place the needle in the 3rd stitch, make 8 sc,

5 ch, join with the beginning.

Hide all the threads, cut them, sew them

buttons, the suit is ready.

11) Change the yarn to additional color, crochet around 60 sc in loops only from behind.
