

CROCHET BABY SHOES

MATERIALS:

1 White Amigurumi Soft yarn

1 Amigurumi Soft Pink Color

1 crochet hook 3.0mm

Size: 3 to 6 months.

START

R1: 12 chain

R2: 12 chain

R3: 12 chain

R4: Make 1 double crochet , 1sc in each chain on the base, at the end of the row make 1dc and return to the beginning of it and make 7dc together, totaling 8dc together in the last ch, forming the rounded part of the sole.

R5: 8 dc together, to the end of the chain, skip the initial chains and close with slip stitch, in the first double crochet to be very closed.

R6: 3 chain, make 1 dc for each stitch on the base. (total 8 dc) In the positicon

R7: 2 dc in for each stitch on the base (8x) for the sole to be straight

R8: On the side, make 1dc for each stitch on the base

R9: In the 8 stitches of the rounded part, make 2 dc in each stitch, until reaching the end of the row.

Finish the sole with a slip stitch

BASE

R10: Go up 1 chain, and make 1 single crochet, for each stitch base circling the whole row, taking the back loop of the stitch, close with 1 slip stitch.

With this we will have a finish that will divide the underside of the sole, with the shaft of the boot

Finishing the single crochet row, cut the yarn, turn inside out and finish off with a loop through the inside.

Change the color, with a pink thread.

R 11: Chain 1 single crochet for each stitch on the base, taking the back loop of the stitch.

R 12: 2 Chains of single crochet

When finishing the 3 rows, separate with markers, using the first 16 double crochets made on the sole. Separate the 16 double crochets from marker to marker, centered on the front.

R 13: 1 chain, 9 sc for each stitch on the base, until reaching 1 point before the marker.

Remove the market.

R 14: Make 6 decrease, Start the dec, as follows: loop on hook, go to next stitch make only half of the double crochet, leave the rest on the hook, go to the next half of the double crochet and leave it on the needle, always keep the first yarn over tight on the needle to that does not leave space, in the third loop on the hook close all three at once

CROCHET BABY SHOES

When decreasing the first stitch, go to the next 2 stitches, pass the half of their double stitch on the hook, in the 3rd loop close. Continue like this for 8 times, it will be 16 points until you reach the marker.

R 15: Remove the Marker, continue the row making 1 single crochet for each base stitch, until you reach the first stitch in the first chain where we start your row.

R 16: Make 1 row of decreasing (6), followin the step by step of R4. Close with slip Stich.

R 17: Make 1 ch, 1 single crochet for each stitch on the base, until 2 crochet singles remain, to get to the first decrease. So start the first decrease of this row, on this 2 crochet singles remaining.

Continue the decrease closing 2 in 2 double crochets together as we did in the previous row up to two stitches after the last decrease on the bottom row.

Finish the row with single crochet

R 18: Make 1 chain, Make 1 single crochet for each base stitch until you pass the first decrease, we will have 6 decreases by 6 times

On the first decrease, pass the loop, and leave it on the hook, go to the 4th dec keeping the loops on the hook very tight and close them all at once.

Skip the 5th decrease and on the 6th decrease, make a single crochet, and circle the row with single crochet for each base stitch.

Boot Top

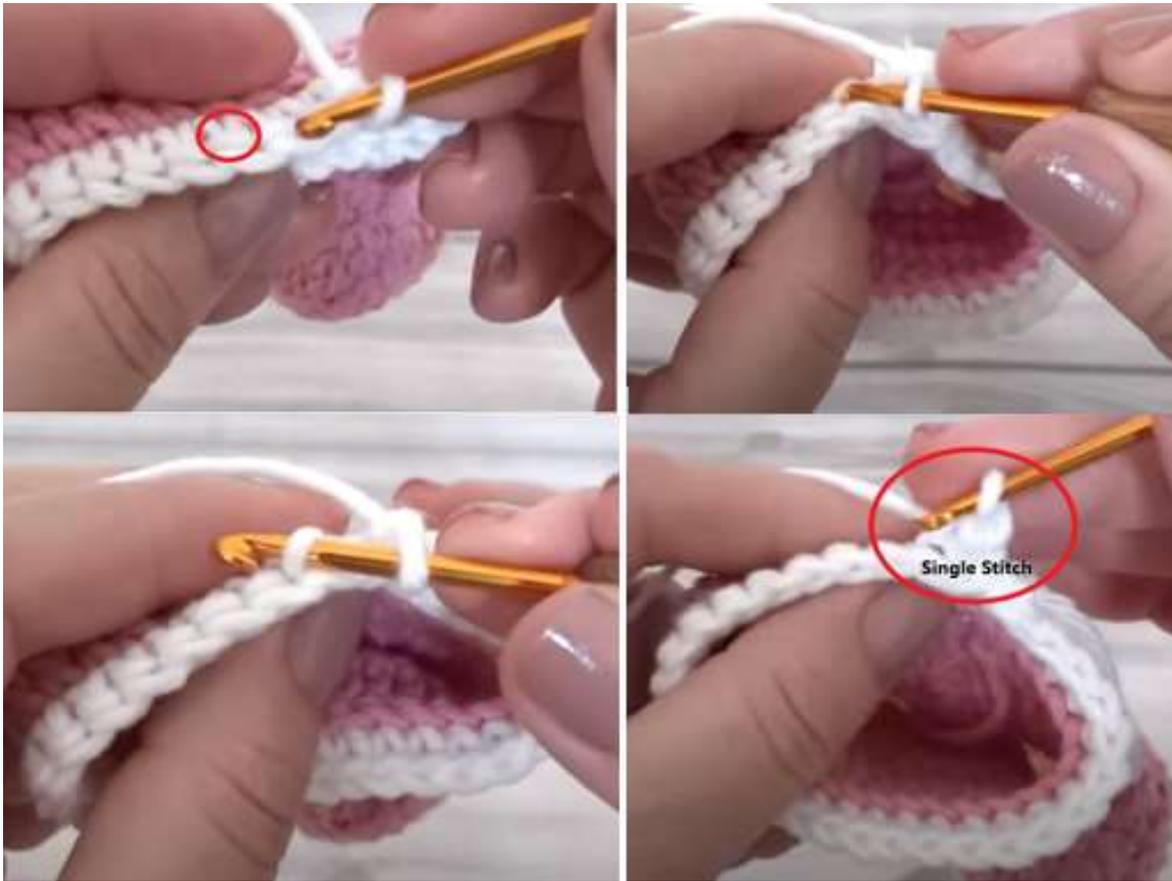

R1 to R3: Work creating 3 circular rows, with 1 double crochet for each base stitch, closing with a slip stitch, It will be double crochet over double crochet until completing three rows

Change the color to white, fasten a single crochet in the back loop only, on the wrong side facing you.

R4: Make a row of single crochet in the back loop only, for each stitch on the base. In the last stitch close with a slip Stich.

R5: Skip to the next stitch and, pull the loop to the wrong side, 1chain, when turning the piece, it is possible to notice the reliefs that are formed, as shown in the image below, make a single crochet taking the third loop of each stitch, circling the entire row. Finish with slip stitch.

Now, whenever you start a new career, you should take the following step:

Loosen the loop, go to the next stitch and finish off by passing the yarn to the back.

R6: to R11: Repeat the step of row 5.

Finish it off, finishing with lace.

LACE CROCHET

To make a lace crochet, make 1 chain, next stitch a slip Stich on the back post, and repeat and repeat until all the way around.

Go to the heel and in the first loop we made between the first row of the sole and the first row in single crochet of the base.

CROCHET BABY SHOES

Make 1 chain, 1 slip stitch, around the entire sole,

Fasten off. And your boot is ready!
